**Ref.: “Honeywell Versatilis™ Signal Scout™” positive assessment**

Dear Sir,

According to LoRa Alliance Certification process description for LoRaWAN devices detailed in the “Certification By Similarity Declaration Version 1.1”, the certification by similarity is an option to get the LoRa Alliance Certification.

Based on the information provided by Honeywell International Inc., the device “Honeywell Versatilis™ Signal Scout™” meets all requirements specified by the LoRa Alliance; this device is a variant device which design is based on the already LoRaWAN certified device “Honeywell Versatilis™ Transmitter”.

According to the documentation provided by Honeywell International Inc., the device under certification, has:

- The same LoRa transceiver
- The same LoRa protocol SW version
- The same MCU Core
- The same Clock design and implementation

Data provided by Honeywell International Inc., comply with LoRa Alliance requirements for certification by similarity for band EU863-870 under LoRaWAN Specification Version V1.0.4.
