

## Certification by Similarity Declaration

To: LoRa Alliance, Inc. For the Attention of the Certification Committee

From: Sontex SA

Date: Aug. 26th, 2024

Dear Sirs,

by executing this **Certification by Similarity Declaration**, we hereby apply for certification of the variant device **Supercom W2-L** which design is based on the already LoRaWAN certified device **Superaqua 1**.

We declare this variant device to have:

- The same LoRa transceiver
- The same LoRa protocol SW version
- The same MCU Core
- The same Clock design and implementation

As the primary device.

Registered company address of applicant:

Street: Rue de la Gare 27

Town: Sonceboz

County: BE

Country: Switzerland

Postcode/ZIP code: 2605

Date: 26.08.2024
